

Saint-Hilaire de Riez, 8 June 2009

**You've been waiting for it, and now here it is...
The preview of the Oceanis 58**

BENETEAU brings you an exclusive first glimpse of the interior of the Oceanis 58 – the largest yacht ever offered in this range.

Infinitely spacious and sumptuously luxurious, this exceptional yacht reveals its secrets one by one...

A large yacht that will be the flagship of the Oceanis range

Secure, powerful, comfortable, easy to handle and featuring a design with real personality, this new yacht will be the perfect complement to the Oceanis range of uncompromisingly contemporary yachts from 31 to 54 feet: a totally new concept in cruising comfort and luxury!

A world of light

Precious woods, chrome, leather, authentic materials and perfect finishes: the latest additional to the Oceanis range embodies **the very best of Beneteau**.

Bruno Belmont, Sailing Development Manager at Beneteau explains: "Comfort, safety, vision and originality are the keywords that spring naturally to mind when you board the Oceanis 58". It's a shortlist to which we could add **audacity, brilliance, luxury and intelligence**... all elegantly combined to carry the Oceanis 58's occupants of to the infinite ends of the earth...

Come and see us again on 8 July...

You won't be able to experience this exceptional new yacht personally until **this autumn's boat shows**, but please meet us on **8 July** when we will reveal more about the Oceanis 58.

Continuing our voyage together to infinity...

About BENETEAU

Already the world leader in sailing yachts, the BENETEAU Group is also one of Europe's leading manufacturers of powerboats. It is also a leading player in the European leisure homes market, and is building a solid presence in the market for sustainable timber-framed homes.
